Crystal represents and counsels many of the world's largest insurance carriers in a wide variety of civil litigation matters, including insurance coverage disputes and bad faith litigation. She routinely advises domestic and international insurers on a wide variety of coverage disputes, including first-party property and builder's risk claims. Crystal has extensive litigation experience in state and federal courts, as well as before arbitration panels.

REPRESENTATIVE MATTERS

Represented insurance carrier in defending a \$200 million property damage claim

Represented market of insurers in defending property damage claim involving multiple hotel properties

Prepared for and attended trial in business interruption claim arising from COVID-19
