

Steven Badger Quoted in SE Texas Record Regarding Hail Lawsuit Brought on Behalf of Dead Man

October 20, 2016

Steven Badger, a partner in the Dallas office of Zelle, was quoted in an article titled “Insurer wants hail attorney to show authority after suit brought on behalf of dead man” that was published on the *Southeast Texas Record* website.

In the article, Badger, who represents insurer Republic Lloyds in the matter, said that this lawsuit is “typical of the ‘sue first – evaluate later’ mentality that has sadly become commonplace in the filing of hail damage lawsuits” and that he routinely sees “hail lawsuits filed with absolutely no investigation of the facts or whether the insurance carrier actually did anything wrong.”
