

Jason Reeves Quoted in The Guardian article “US Fossil Fuel Firm Sues Insurer for Refusing to Cover Climate Lawsuit”

August 30, 2022

Jason Reeves, a partner in Zelle’s London office, was quoted in *The Guardian* article “US Fossil Fuel Firm Sues Insurer for Refusing to Cover Climate Lawsuit.”

The article notes that the case could affect the wider industry’s ability to defend itself from litigation.

“You will see a continued escalation of ‘parallel’ climate litigation cases between policyholders and their insurers as policyholders present claims in relation to defending these lawsuits,” Reeves said.
